

NCHS/JH Online Athletic Consent Form is now live and available!

North Central is excited to bring digital forms to our students and parents. This is a new adventure for all of us. Therefore, there may be some areas that we need to tweak as we move forward, and there may be issues from time to time with this new process but we hope it will be minimal if at all. Thank you for your patience and understanding as we work through the process this coming year in hopes that filling out forms will be much easier and efficient for everyone in the future! We are starting with the athletic consent form that is required for all athletes who participate in any sport throughout the year in grades 7-12. We will gradually be adding forms for all parents of children at all grade levels to complete online and will keep everyone posted through this website and our N.C. social media platforms of Twitter and Facebook as those forms become available. Also, please note that the online forms are not available on the mobile app so you will need to connect through a web browser such as Firefox. Computers are also available in all three office areas to complete online forms if needed.

Please be aware that parents/guardians will have to log in with a parent/guardian username and password for the forms to be available. Student logins will not work for forms needing parent/guardian information and consent. If you are unable to recall your parent/guardian login or if you need your password reset, please email your request to dveres@northcentralschool.org.

The link for the “Parent and Student Sign In” for PowerSchool is located on the left of the NC website under Parent Resources or click below.

The window to the left will open and you will need to enter “Parent/Guardian” username and password.

Once logged in to your parent portal, which should look similar to the list on the right, you will choose Ecollect Forms. You will then see the current form that needs to be completed, which at this time is the mandatory NC Athletic Consent Form. Follow the onscreen directions to complete.
