February 26, 2021

Dear North Central Local School Community,

North Central Local Schools will be supporting digital learning opportunities (Remote Learning) with our students on Friday March 12, 2021. The day is the Williams County COVID 19 second Vaccine for School staff in all of Williams County. We plan to do a Remote Learning day at NCLS starting at 8:30 AM to 1:30 PM. The individual buildings and teachers will provide more details of what the day looks like as we get closer to Friday March 12, 2021. Please be sure your student(s) remember to have all the necessary materials to make our remote learning day a success.

The North Central Local Schools will return to normal school hours starting Monday March 15, 2021 for the rest of the school year. That means the school day will end at 2:50 PM for students. We also have the option of the last day of school for students being Friday May 28, 2021 instead of Thursday May 27, 2021 if we have any more missed days before the end of the school year.

We also have a Café announcement as well.

The Eagle Cafe knows digital learning days are stressful enough for some families. We in the Eagle Cafe would like to help reduce the stress by providing breakfast and lunch for all K-12 students for the digital (Remote Learning) learning day. These meals will include a breakfast and a lunch and will be no cost to the families. The meals will be sent home Thursday March 11, 2021 to be refrigerated and eaten on Friday March 12, 2021. Just another way for NC to help its school families.

Thanks for your support,

William D. Hanak

William D. Hanak
